LINH HUYNH

718-986-4923 – **linh44h@gmail.com** – **LinkedIn** – **GitHub** – **Website**

Crafty Full Stack Developer with experience in Ruby on Rails and ReactJs. I am a fun loving former tour guide; a creative and flexible human being with a burning passion for perfection and analytical thinking. My background as a data coordinator has prepared me to tackle challenging tasks, keep an eye on small details, and work closely with end users. I always strive to keep improving and am now committed to building my career as a software developer.

TECHNICAL SKILLS

Ruby on Rails | JavaScript | jQuery | React | Redux | Node | HTML5 | CSS3 | SQL | Semantic UI | API | Jest

EDUCATION

FLATIRON School, NY
Aug 2018 - Nov 2018 - *15 week intensive bootcamp. Full Stack Development, Ruby on Rails and JavaScript.*
